

**“I want to make a positive difference in the lives of others. One way I'm able to do that is by helping them preserve their mobility.”**

#### **About Reman Dhaliwal, DPM**

With her extensive medical training and professional experience, Dr. Reman Dhaliwal treats patients experiencing a wide variety of foot and ankle problems. "I want to make a positive difference in the lives of others," says Dr. Dhaliwal. "One way I'm able to do that is by helping them preserve their mobility. Proper foot care, especially for anyone with a chronic condition like diabetes, is important to overall health and well-being." She works side-by-side with primary care doctors and other medical specialists to ensure her patients receive the highest level of care.

When she isn't working, Dr. Dhaliwal enjoys spending time with her husband and daughter.

Dr. Dhaliwal earned her medical degree at the Ohio College of Podiatric Medicine. She completed her residency at Veterans Affairs Healthcare Systems in Baltimore, specializing in clinical and surgical podiatry. She is a member of the American Podiatric Medical Association, the American Academy of Podiatric Practice Management, and Maryland Podiatry Medical Association. She is fluent in English and Hindi.
