“I listen, ask questions, talk with the family and get the whole picture in order to best diagnose and treat the patient.”

About MaryAnn Roberts, MS, FNP-C

Family nurse practitioner MaryAnn Roberts earned her bachelor's and master's degrees from Virginia Commonwealth University. She is a member of the Virginia Council of Nurse Practitioners and the American Association of Nurse Practitioners. Prior to joining JenCare, MaryAnn was one of the charge nurses on the cardiology stepdown telemetry unit at Virginia Commonwealth University Health in Richmond, Virginia.

MaryAnn understands that the senior population is faced with the challenges of multiple medical conditions. “I like to assist with the coordination of care to overcome these obstacles and get to the bottom of complex issues to help my patients,” she said. “I listen, ask questions, talk with the family and get the whole picture in order to best diagnose and treat the patient.”
