

“My goal is to listen to my patients’ needs and wants so that together we can achieve their health goals. ”

About Ijeoma Ejigiri, MD-PhD

Doctor Ijeoma Ejigiri is board certified in internal medicine. She earned her bachelor’s degree from Xavier University in New Orleans, Louisiana and her doctorate at the New York University School of Medicine in New York, New York. She completed her internal medicine residency at the Emory University School of Medicine in Atlanta, Georgia. Dr. Ejigiri is a member of the American College of Physicians, the National Medical Association and the American Board of Internal Medicine.

“My goal is to listen to my patients’ needs and wants so that together we can achieve their health goals,” said Dr. Ejigiri. “I look forward to building lasting relationships with new patients.”

Dr. Ejigiri considers herself to be a foodie. She enjoys trying new foods often, whether through cooking new recipes or trying new restaurants. She also likes traveling and experiencing different cultures and traditions. On a trip to Costa Rica and Panama, she had fun eating the local foods and participating in adventurous activities including zip-lining and surfing.
