

“I enjoy building relationships with individuals and families; being able to do so as a physician enables me to make a difference in these people's lives.”

About Kashmal Patel, MD

Dr. Kashmal Patel received a bachelor's degree from the University of Virginia and a medical degree from the Medical University of Lublin in Poland and is currently a member of the American Board of Internal Medicine.

“I've always enjoyed building relationships with individuals and families; being able to do so as a physician enables me to make a difference in these people's lives,” Dr. Patel stated when asked what she enjoys most about being a physician.

When Dr. Patel has spare time, she spends it with her family and friends. She also enjoys exercising, cooking, and painting.
