

“Making a difference starts by understanding who you are talking to, what the goals and needs of the patient are and then working together to achieve those goals.”

About Mehwish Mokter, DO

Dr. Mokter is board certified in family medicine and osteopathic medicine. She earned her bachelor’s degree from The George Washington University in Washington, DC, and her doctor-ate from the University of New England College of Osteopathic Medicine in Biddeford, Maine. Dr. Mokter completed her family medicine residency at Middlesex Hospital in Middletown, Connecticut. She is a member of the American Osteopathic Association and the American Academy of Family Physicians.

“My culture places significant emphasis on caring for the elderly,” said Dr. Mokter. “Making a difference starts by understanding who you are talking to, what the goals and needs of the patient are and then working together to achieve those goals.”
