#### About Megan Tripptree, LAc, MTOM

Megan Tripptree, an acupuncturist who specializes in pain and stress management and gastrointestinal issues, values holistic treatment. "I love how fluid Acupuncture is. There are so many different modalities I can use depending on the patient," she explains. Megan Tripptree finds it very rewarding to work with the senior population and help them find relief from long-term pain. "I can treat so many different things," she says. "I encourage every patient to ask if they are having any issues."

In addition to providing stellar care for her patients, Megan Tripptree loves participating in outdoor activities and spending time with her fiancé and two dogs. She loves traveling and wishes to one day visit New Zealand.
