

“My favorite part of the profession is having the opportunity to change people’s lives for the better. I love listening to their stories and learning from their wisdom.”

About Brian Oliver, MSN, NP

Brian Oliver is a nurse practitioner who has always been interested in medicine. He chose to specialize in geriatrics “to help with the growing baby boomer population.” He also loves listening to their stories and learning from their wisdom. He is a strong advocate of preventative and individualized care. “My favorite part of the profession is having the opportunity to change people’s lives for the better,” he says. Brian Oliver likes forming strong relationships with patients by establishing trust and engaging in frequent appointments.

In his free time, Brian Oliver can be found enjoying the outdoors. He especially loves kayaking, rock climbing, and hiking. He also enjoys working on cars and spending time with his dog, Chance.
