

**“Spending my life helping seniors live their best lives in their golden years is my mission.”**

#### **About Marisa Dunn, MD, MPH**

Dr. Marisa Dunn knew as a child that she wanted to pursue a career in medicine. “I knew that I wanted to be in a profession that could make a difference in the lives of our elderly,” she explains. Dr. Dunn is passionate about being a healthcare advocate and wants her patients to know they are appreciated and loved. “Spending my life helping seniors live their best lives in their golden years is my mission,” she says. To keep up with the newest medical advancements, Dr. Dunn often participates in Continuing Medical Education courses and discusses ideas with colleagues.

When not caring for patients, Dr. Dunn loves spending time with her family. She also enjoys exercising and spending time on the Atlanta beltline.
