

### About LaToya Beauchamp, APRN, MSN, FNP-BC

LaToya Beauchamp is a family nurse practitioner who has always wanted to work in medicine. She finds it rewarding to help others improve their health. “There is great excitement in empowering a patient to make better health decisions,” she says. LaToya Beauchamp believes that all healthcare should include “transparency and compassion embedded in the dialogue between providers and patients.” She adds, “My priority during each interaction is to display genuine concern, respect, and uninterrupted attention.”

When not caring for patients, LaToya Beauchamp loves spending time with her family and friends. She also enjoys listening to podcasts, walking near the water, and refurbishing thrifted furniture.
