

**“I want to help seniors live happier, healthier, and more active lives.”**

#### **About Noel Meikle, MSN, FNP**

Noel Meikle has always had a passion for problem-solving and caring for others. She aims to treat all patients with “dignity, respect, care, and compassion.” She enjoys “helping guide her patient’s healthcare management and education, while respecting their choices and decisions.” Prevention is a key part of her practice. “I want to help seniors live happier, healthier, and more active lives, while helping them understand that process,” she explains. Forming meaningful connections with patients is her favorite part of her profession.

Noel Meikle grew up in Baton Rouge, and although she has lived in several states, she considers Louisiana home. In her free time, she enjoys spending time with family, cycling, reading, and LSU football.
