

**“I am a strong believer in the humanistic approach to life, in which empathy, genuineness, and giving unconditional support are the key factors for thriving.”**

**About Cristina Marti-Amarista, MD**

Dr. Cristina Marti-Amarista comes from a family of healthcare providers, which motivated her to pursue a career in medicine. “My favorite part is feeling I am helping others the best way I can and having the opportunity to learn something new every day,” she says. She highly respects the senior population and loves serving them. “I am a strong believer in the humanistic approach to life, in which empathy, genuineness, and giving unconditional support are the key factors for thriving,” she says. She adds, “I aim for my patients to know I care for them and to see me as an ally.”

Dr. Marti-Amarista enjoys playing board games with family, spending time with friends, and painting in her free time. She also loves reading crime novels.
