

“It's rewarding to be able to make meaningful connections and have the opportunity to make a positive impact on individuals and their families.”

About Manahil Munir, MD

Dr. Manahil Munir always knew she wanted to work in healthcare. “My motivation was centered on a profound desire to alleviate suffering, improve health outcomes, and contribute to the greater good of humanity,” she explains. She likes getting to know patients on a personal level and especially enjoys caring for the senior population. “It’s rewarding to be able to make meaningful connections and have the opportunity to make a positive impact on individuals and their families,” she says. She deeply values her patients’ trust and loves serving as their advocate.

In her free time, Dr. Munir can be found enjoying the outdoors. She also likes knitting and spending time with friends, family, and her cat.
