

“I believe in "patient-focused" healthcare and my favorite part of her profession is helping people in need.”

About Fatimah Alfaraj, MD

Dr. Fatimah Alfaraj knew at a young age that she wanted to work in medicine. She believes in “patient-focused” healthcare and says her favorite part of her profession is “helping people in need.” She adds, “I have a passion for the elderly population.” She likes educating patients and assisting them with disease prevention and management. She aims to treat patients like family and vows to always be there for them. “I take my patients very seriously,” she says. She often reads about the newest updates to keep up with the ever-evolving world of medicine.

In her free time, Dr. Alfaraj enjoys reading, cooking, and going on long walks. She also loves perfume and is interested in learning how to create perfumes.
