

“Wherever the art of medicine is loved, there is also a love of humanity.”

About Khalilah Muhammad, MD

"Wherever the art of medicine is loved, there is also a love of humanity." This Hippocrates saying is one that Dr. Khalilah Muhammad embodies in her practice. She strives to make patients feel comfortable confiding in her and actively listens to them to determine what works best for their care. She is passionate about educating both her patients and their families to ensure everyone understands any ailments and treatments. She believes everyone should be "on the same page and not all reading different books." She likes reading medical articles and journals to keep up with the latest medical advancements.

In her free time, Dr. Muhammad can be found reading, dancing, or working on puzzles with her daughter.
