

“In my opinion, everyone should get excellent quality of care with respect.”

About Vinit Jha, FNP

Vinit Jha loves caring for people and sharing his knowledge. “In my opinion, everyone should get excellent quality of care with respect,” he says. He strives to actively listen to patients and “address all their concerns.” To build strong relationships with patients, he talks with them about their family, anxieties, living conditions, and food. “We need to see patients holistically,” he explains. To keep up with the latest medical advancements, he enjoys reading research papers, participating in conferences, and engaging in Continuing Medical Education courses.

Vinit Jha enjoys visiting new places with his family and staying active through running in his free time. He says he would love to try skydiving one day.
