“Witnessing the impact of healthcare professionals on individuals and communities during my life instilled a strong sense of purpose within me, driving me to pursue a career where I could make a meaningful difference.”

About Rickey A. Cosby, MSN, APRN, FNP-C, EMT-P

Rickey A. Cosby explains that he has a “deep-seated desire to alleviate suffering and improve the well-being of others.” He adds, “Witnessing the impact of healthcare professionals on individuals and communities during my life instilled a strong sense of purpose within me, driving me to pursue a career where I could make a meaningful difference.” He aims to make his patients “feel respected and understood,” explaining that trust and effective communication are key in his practice. He empowers patients to become active in their health journey by clearly explaining any medical information.

Rickey loves spending his free time exploring Louisville’s various parks and trails. He also enjoys catching up

with family and friends.
