

Maria Steriu, MD

“I think being empathetic and having the mindset that one day, I can be the patient I am seeing today makes me detailed in my examination, history-taking, paying attention to details, and being organized.”

About Maria Steriu, MD

Dr. Maria Steriu's passion for healthcare derives from her family, explaining that she wants to follow in her father's footsteps. She prioritizes effective communication by actively listening and providing answers for patients in accessible language. She adds that being respectful, honest, and reliable are crucial within patient care. She explains, “I think being empathetic and having the mindset that one day, I can be the patient I am seeing today [...] makes me detailed in my examination, history-taking, paying attention to details, and being organized.” She strives to reinforce treatment plans that are “sustainable and realistic.”

In her free time, Dr. Maria Steriu enjoys kayaking, painting, and spending time with family.
