

“My goal is to assist them with living a long, healthy, happy life to the best of my ability. I pass no judgement on lifestyle choices.”

About Celeste Magen White, MSN, FNP

Celeste Magen White chose to pursue a career in healthcare to “help people live healthier lives and to help advocate for those who may not have a voice.” She specifically chose to work with seniors to “improve their quality of life and promote well-being in every stage.” She views her relationship with patients as “a partnership” and likes “meeting them where they are.” She enjoys educating patients and wants them to feel “heard and valued.” She adds, “My goal is to assist them with living a long, healthy, happy life to the best of my ability. I pass no judgement on lifestyle choices.”

In her free time, Magen can be found spending time with her family or tending to her small hobby farm with various animals and gardens.
