

**“Through collaboration, we can achieve meaningful, measurable outcomes.”**

#### **About Priya Nileshtar, DO, AAHIVS**

Dr. Priya Nileshtar believes that “good health is foundational to a life well lived.” She is appreciative of the opportunity to care for the senior population, viewing them as “the backbone of our communities” and deserving of “attentive, dignified care.” She considers healthcare to be “a team effort,” explaining, “Through collaboration, we can achieve meaningful, measurable outcomes.” To best support her patients, she strives to “build lasting relationships through open, honest communication, and full transparency.”

In her down time, Dr. Nileshtar can be found enjoying the many activities and restaurants in New Orleans. “There’s always something happening to bring us together,” she says.
