

Why Choose Us?

Choosing the right doctor for your primary care provider (PCP)* is not always easy. At Jencare, we specialize in caring for older adults and are committed to delivering personalized, preventive care that keeps you living your healthiest life.

As a Jencare patient, you'll get(+):

- True preventive care that focuses on the whole person, not just your symptoms
- A doctor who specializes in caring for older adults
- Access to your doctor when you need them most
- More time with your doctor – We want to see you at least once per month so we can keep you healthy and out of the hospital
- Same-day, walk-in, and telehealth appointments
- Convenient on-site tests, screenings, and labs
- Fewer unnecessary medical procedures and hospitalizations
- A team who coordinates care with your other providers so that you don't have to
- A strong, trusting relationship with your provider
- A care model that focuses on improving your mental health, fitness, and wellness

(+) Services may vary by location and are subject to change without notice. Limitations, co-payments, and restrictions may apply. Some services are not covered under all plans. Check plan documents for details.

Jencare is what you need to better your health. Our patients have experienced:

- 51% fewer hospitalizations**
- 35% fewer ER visits**
- Reduced risk of overmedication
- Better peace of mind
- Less financial stress

We surveyed our patients on what they think of our approach to their health:

- 9 out of 10 patients recommend us***
- 97% feel their doctor always showed respect for what they had to say**
- 85% feel they always got answers to their medical questions on the same day***

*Most PCPs are doctors, but nurse practitioners and physician assistants can sometimes also be PCPs.

Don't take our word for it. Here's what our patient has to say about the Jencare difference.

"I knew the moment I walked in the door, I was home." - Melanie, Patient
